1966

The Senior Class Presents . . .

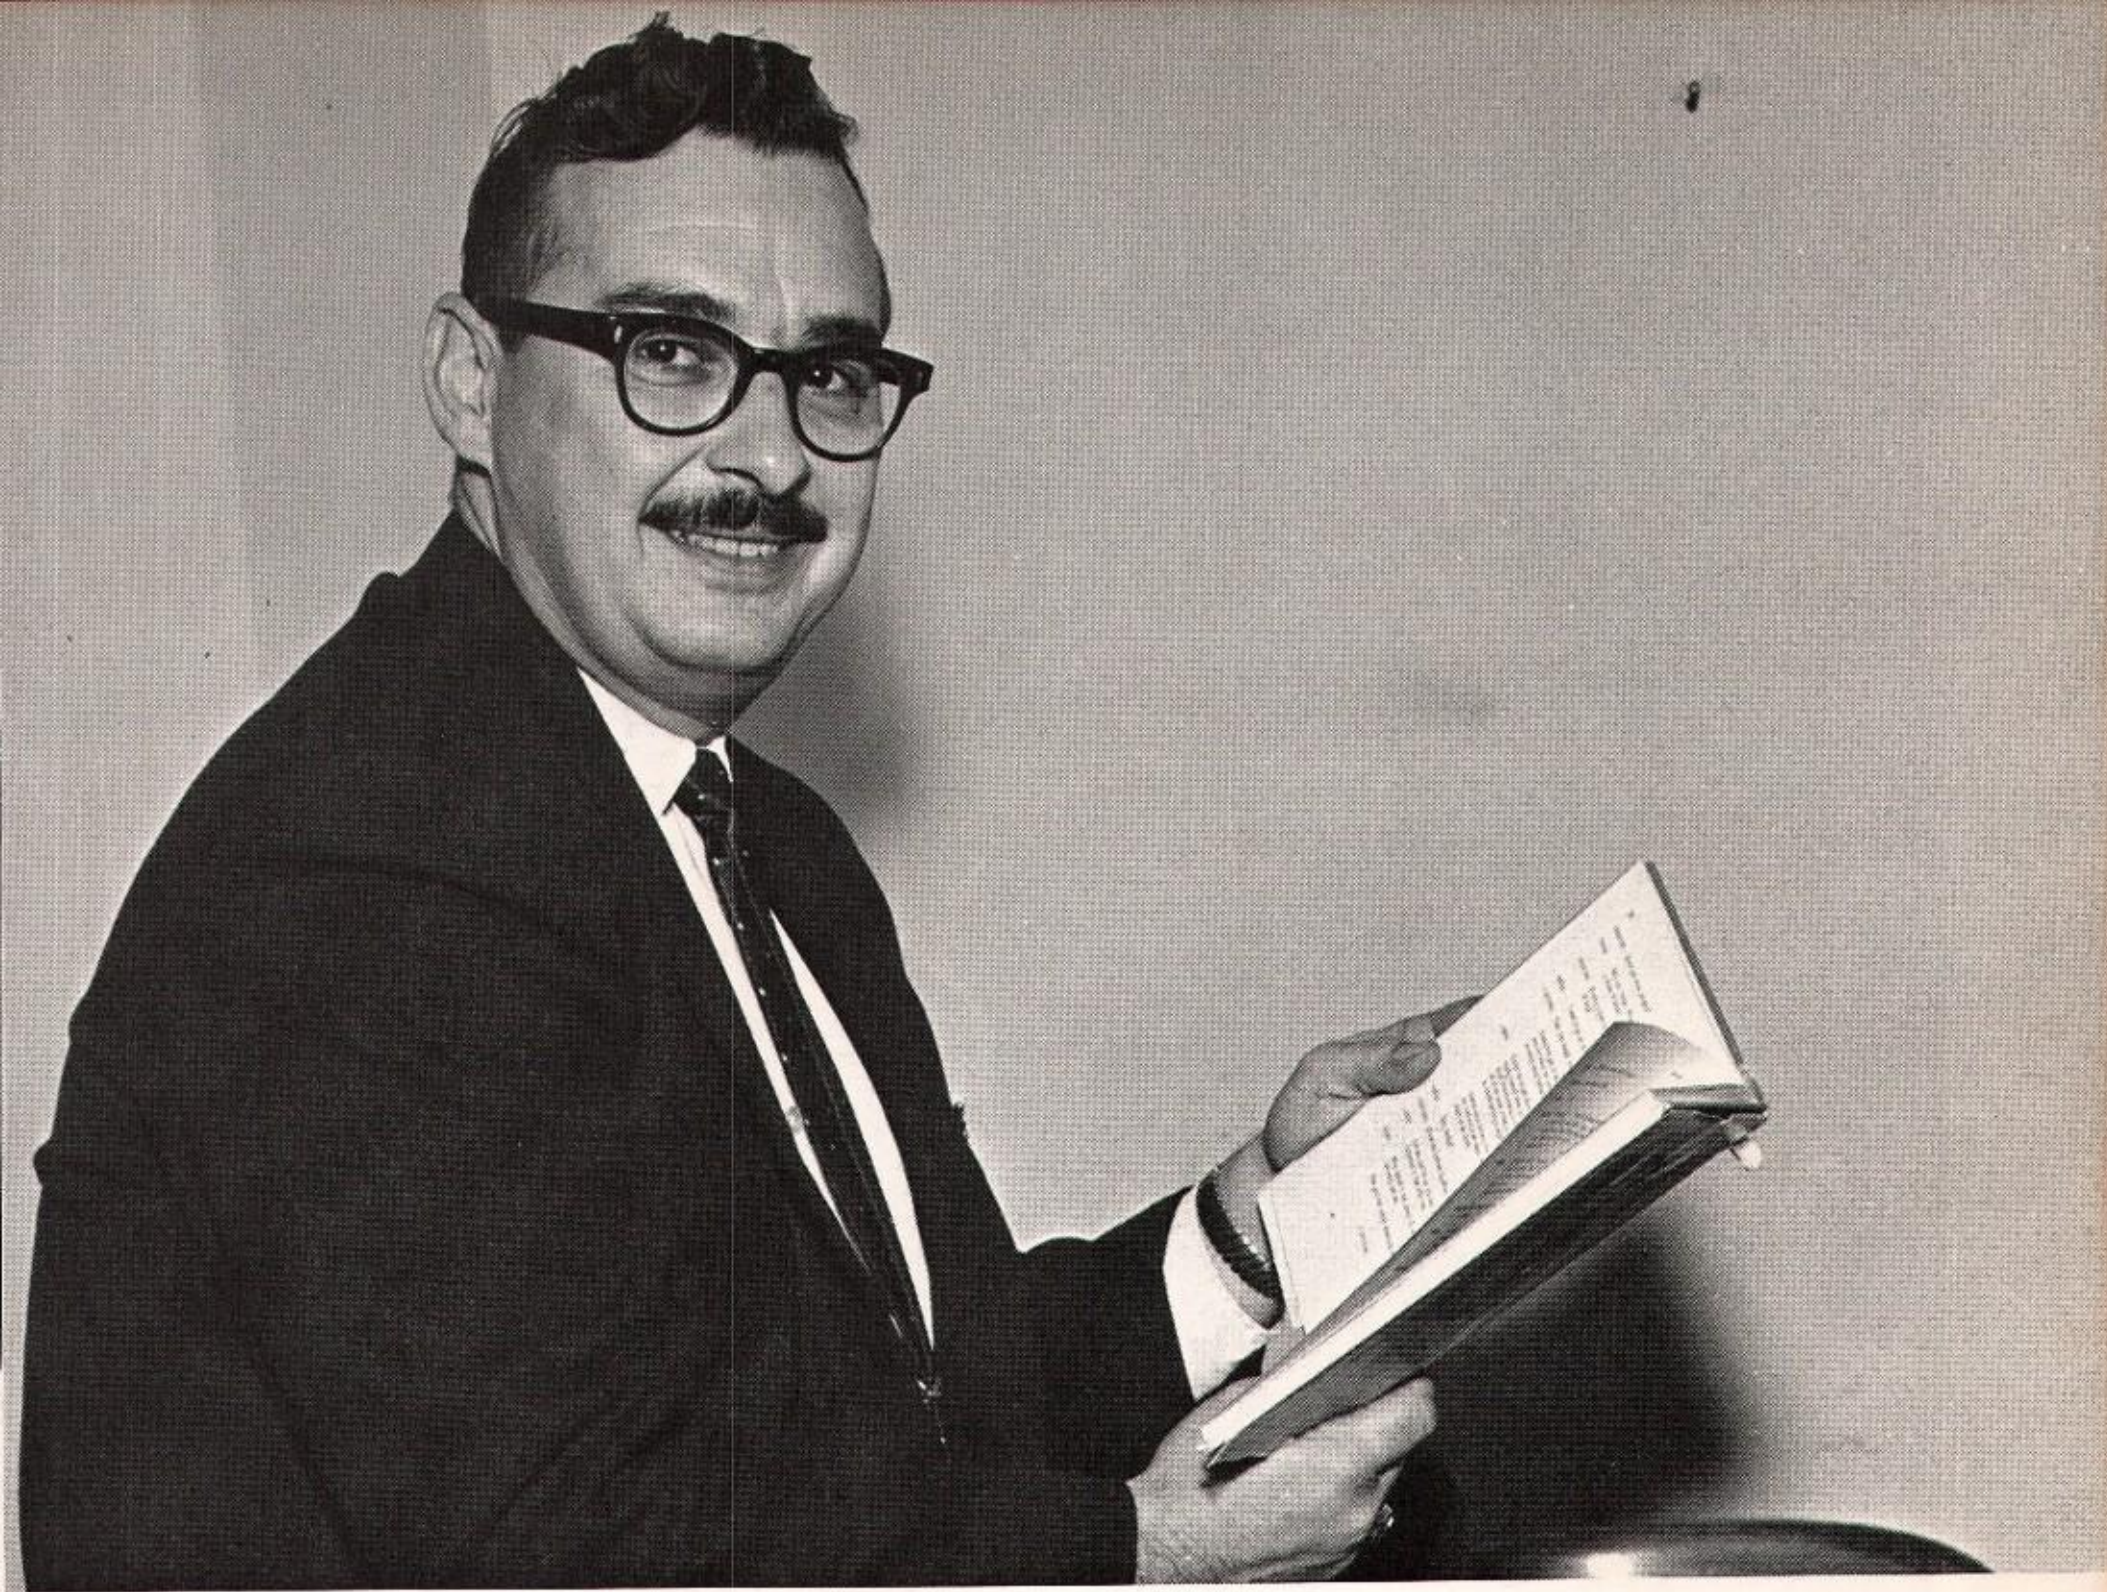

This yearbook, Hiltorial '66, is the story of life at H.C.S. Over the years the people change, the courses change and class after class of Seniors depart as we shall in June. But the spirit of our school remains and grows with each class's contributions. Our yearbook is only a small contribution in which we have tried to capture the spirit and personality of our class and our school. We are presenting a record of our experiences as they have occurred from our freshman to our senior year, and we hope they will express to you the hopes and aspirations of the Class of 1966.

Dedication

For the past three years, many of us have come to know and admire Mr. Theodore Schreppel. Some of us have had him in class; some of us have worked with him in the casual atmosphere of Dramatics Club. Still others have had the privilege of acting under his direction in class plays.

But to all of us, he is our idea of what a teacher should be. He is bestowed with the rare combination of understanding, humor and an enthusiasm for his work.

We, the class of 1966, dedicate to you, Mr. Schreppel, with deepest appreciation this our Hiltorial.

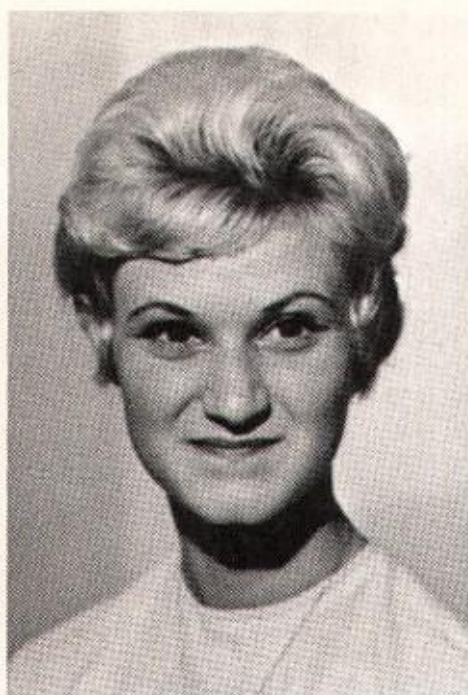

SENIORS

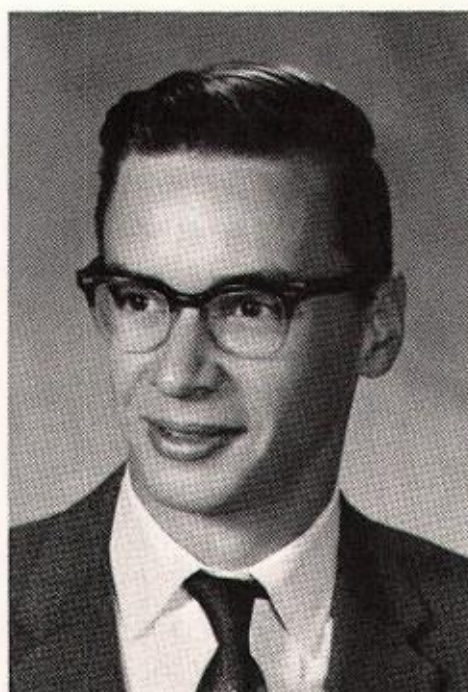

Seniors! This is a title we coveted for three years and finally attained. Soon we must relinquish it to the following class.

As we look back at the past four years, we see how we have changed as individuals and as a class. We are very different people from the expectant inexperienced Freshman that entered high school in September 1962. We have grown in knowledge, experience, and maturity. With the addition of each year's responsibilities, there was likewise an addition in privileges and rewards.

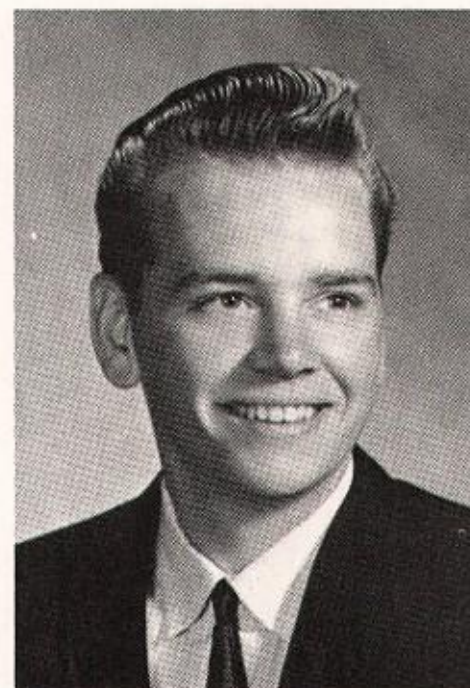

As graduation draws near, the class of '66 is filled with mixed feelings. We are sad to leave our friends and classmates and the life we have shared for four years. We are happy too--to be starting a new way of life with new friends and experiences.

Frosh and Soph Years

Filled with Rewards

And High Hopes for Our Last Two Years

CLASS HISTORY

In September, 1962, a new and eager Freshman Class entered the halls of H.C.S. and embarked upon its first year of high school. In the winter we held our first class project—a pep rally! A blazing bonfire and mugs of hot chocolate helped to make this first attempt a successful one. Then on Class Day we presented our first dance, "Three Coins In A Fountain." Since most of us were inexperienced, much of the credit for our first year's success goes to our advisors, Mrs. Fowler, Mrs. Shumanski, and Mr. Lubes. As our Freshman Year came to an end, we looked forward confidently to taking on the duties of Sophomores.

As Sophomores, our first project was a fall dance, "Autumn Leaves." Music by "The Tributes" and leafy decorations made the evening a success. Under the able guidance of our advisors, Mr. Wojnowski, Mrs. Cook, and Mr. Holman, we sped through our second year of senior high school. On Class Day we ordered our class rings and anxiously awaited their fall arrival.

Our Senior Year - Climax of Our Years at Hilton

In October, we received our class rings which we proudly displayed for all to see. These new found status symbols signified our position as full fledged upper-classmen. In November, we presented our first class play, "The Diary of Anne Frank", in which Gail Oakden played the title role. Under Mr. Schreppel's marvelous direction, this first dramatic production was a success.

On May 8, 1965, the music of Vince Jan's Orchestra drifted through the gym, as we presented "Polynesian Sunset". Paul Kumpf and Janet Collamer reigned as king and queen of our Junior Prom.

As the Class of '65 departed and we became seniors on Class Day, we realized that we had just one year remaining at H.C.S.

Our Senior year—had it finally arrived? It does not seem so long ago, however, that we were merely "little freshmen". This was our busiest year and, in some ways, our best. We began the year with the traditional magazine sale, the profits from which added greatly to our class treasury.

In December, we sponsored our final formal dance—the Senior Ball. The gym was transformed into a Winter Palace, and music by Carl Dengler's Orchestra added a special touch to an evening none of us will forget.

Under the direction of Mr. Schreppel, we presented our Senior play, "Haloos and Spotlights". After many rehearsals and much studying of parts, we finally put together a successful show which pleased both the performers and the audience.

On Class Day, we took our places for the last time as members of the Senior Class, and it was only a short wait to graduation and the beginning of a new and rewarding life for all of us.

Trevor and Linda reign as king and queen at our Senior Ball.

FACULTY AND ADMINISTRATION

Though we will always have fond memories of the class projects, club activities and sports competition, we realize that the main purpose of the past four years was to learn. For this opportunity to learn we are all indebted to the faculty and administration.

Each one of us has been influenced by members of the faculty and administration either in class or after school. They have helped and guided us, as we have molded our ideas and personalities. Some have inspired us, some have made us laugh at our own mistakes, some have awakened our sleeping minds; but all have left their mark.

Mrs. Vary, Curriculum Director; Mr. Markham, Executive Principal; Mr. Smith, Assistant Principal.

Administration Assumes Leadership

Executive Secretaries: Mrs. Seeger, Mrs. Carter, Mrs. Nicloy.

The Board of Education consists of elected representatives who work in conjunction with the faculty, administration and community to formulate school policies. It is the duty of the board to provide the best education possible for the students of Hilton Central School.

Providing such an education is a continuous job because of the increasing student enrollment. One way in which the growing needs are met is the hiring of more well trained teachers and administrators.

One of the board's most important tasks is planning new schools. In 1965, plans were approved for a new octagonal school for grades K-6. This school, which is designed to promote educational processes, is but one example of the board's achievements in this field.

The board members come from all walks of life and meet together at least twice a month. Usually, other meetings are called in order to carry on all the business of the board.

CLASSES

As we near the close of our high school career, we want to express our gratitude to you, the underclassmen. Our four years at Hilton would have been very different without your friendship and enthusiasm. We see something of ourselves in your classes for, although each class may be outstanding in some respects, all the classes have the same characteristics in varying degrees. In you reflects our academic and athletic abilities, our pride in our class, our enthusiasm and school spirit. We wish you the best of luck at H.C.S. and leave with the hope that you will always remember the Class of '66.

ACTIVITIES

Over the years, H.C.S. has expanded its curriculum but it has also expanded its offering of extra-curricular activities. In recent years, a German club and the Order of the Enzians have been formed. This year, there have been two additions--the Ski Club and a club for business students. This increased student interest is encouraging for much can be gained by participation in these activities.

The clubs are varied in interests and requirements, but there is something for everyone at H.C.S. Some clubs acquaint students with the language and customs of other countries. Other clubs introduce students to various occupations, such as farmers, nurses, and teachers. In all of the organization, members are given the chance to work together and have a good time. For these reasons, the Class of '66 hopes that there will continue to be increased interest and participation in extra-curricular activities in the years to come.

The Hilton Marching Band had another triumphant season in 1965, capturing first prize at Barnard, Morton, and Holley. The band also marched its way to success at the Caledonia Fair, where it won five top awards including one for "best performing band". Once again Mr. Lucie entered Hilton in the State Fair and from among forty eight competing bands, Hilton copped fourth place. The victorious band was welcomed by a cheering throng of students and townspeople as the marching season reached its climax.

Not only was the musical portion of the marching band a success, but also the Majorettes and Color Guard. Both of these units won top prizes throughout the season but their highest award was the state championship. Hilton's Color Guard and Majorettes both took first place at the 1965 New York State Fair.

I wonder what they're talking about??

The Concert or A-Band has had a busy year, playing for assemblies and basketball games. Aside from these school functions, the band presented programs to which the public was invited. Such programs were the Christmas concert, a program for "Know Your School Night", and the spring concert. A music first at Hilton was the opportunity for band to play at the War Memorial on December 1, 1965.

Junior Rotarians are young men chosen from the Junior and Senior classes to represent H.C.S. at Rotary meetings. Each boy attends the weekly for one month and at the end of the year, all the boys get together and provide the program for the last meeting.

The Wide Horizons Program is a series of lectures and discussions sponsored by the University of Rochester. Along with several other area high schools, Hilton sends a group of Juniors to hear the ideas and opinions professors and other students.

Every year the guidance office selects several students as the Odd Fellow candidates. Odd Fellows interview the students selected by the guidance office and choose the best qualified candidate. John Doell was chosen as last year's Odd Fellow. John was sent on a trip sponsored by the Odd Fellows to the U.N. this past summer.

BOY'S STATE: Mike Martin

PARMA HARVEST QUEEN: Virginia Collamer

D.A.R.: Kathy Wolf

Mike Martin was the boy chosen by the American Legion to represent Hilton at Boy's State. He was one of over 1000 boys to attend a conference at Colgate University last summer. These boys set up mock governments at city, county and state levels in order to learn more about elections and politics in a democratic society.

Ginny Collamer was selected Hilton-Parma Harvest Queen and went on to become alternate for Monroe County. The contestants are judged on the basis of attractiveness, poise, mental activity and personality. As queen, Ginny has many duties to perform such as riding in parades and attending various functions. She and the Monroe County Queen received a trip to New York as well as scholarships.

Kathy Wolf was chosen for a good citizenship award by the Daughters of the American Revolution on the basis of friendliness, courtesy, service to home, school and community, personality, punctuality and knowledge of current events.

It is no easy task to sort through all the memories of the past four years, especially our Senior year, in order to compile a yearbook. This year's Hiltorial is the attempt of the yearbook staff to portray the life and spirit of Hilton High. Despite all the minor crises, we have enjoyed working on it and we hope that you too will find something special within its pages.

This year for the first time the National Honor Society became an active school organization. Under the leadership of president John Doell, the society undertook the large task of opening a paperback book store. The purpose for the book store was two-fold. First, it would serve as a money-making project to help build up the meager treasury. Secondly, it was hoped that a paperback book store would promote student interest in reading. Among other activities, the Honor Society also sponsored an 'after the game' dance.

The National Honor Society consists of students in grades ten-twelve. These students, who must have averages of at least 85%, are chosen on the basis of scholarship, leadership, character and service. New members join the society in an induction ceremony to which their parents are invited.

FLAGBEARERS--Dave Sweeney, Trevor Palmer, Linda Stone, Gail Britton.

The Order of the Enzian is a scholastic society which offers its members special privileges and the opportunity to attend several cultural events. Membership is restricted to sophomores, juniors, and senior, whose cumulative averages are 90% or above. New members are added each semester, and members whose averages drop below 90% are given one marking period to improve their grades. Among the activities attended by the group this year were the play "Dear Me, The Sky is Falling" and The Nutcracker Suite Ballet. The society finished up the '65-66 school year with its annual dinner.

The Flagbearers are selected each year from the Junior class. They are officially charged with their duties at the Veteran's Day assembly, when they replace the outgoing senior flagbearers. It is the duty of the flagbearers to care for and display the American flag, and to promote good citizenship. The flagbearers lead the student body in "The Pledge of Allegiance" every school-day morning and at all school assemblies.

The Student Council began this year with a most effective start. Introduced were Student Activity cards which cost \$7.00 each and included subscriptions to the *Crimson Crier*, *Siftings*, the *Hiltorial*, and admission to all home basketball games.

The Dress Code was revised and brought up to date.

International Day brought foreign exchange students from the area schools, and the profits from the International Dance that night were used to pay part of our exchange students' expenses.

Since the Council operates for the benefit of the student body, many things were discussed and planned. The Council operated under the able advisorship of Mr. Burns.

Elly's father and older sister.

Elly Goetheer Comes to Us from Holland

Elly translates the Dutch proverb for Barb.

It is the wish of many teenagers all over the world to be a foreign exchange student, and so it was mine. When the great news came from the A.F.S., that I was selected to be a teenage diplomat from the Netherlands to America, I could hardly believe that I was one of those lucky few, who had been chosen. It is wonderful to be fully accepted by an American family, and to do the same things as American teenagers do, and to get the opportunity to learn and see the American way of life. To most people in America, the Netherlands only means tulips, wooden shoes and windmills, but to me it means more. It means my native land, my home, my family and my life.

I am the youngest of a family with four children, and live in a picturesque town in the center of the Netherlands, where my father owns a bake shop. Life in the Netherlands is much like that in America, although there are of course some differences, especially in the school and government systems. Whereas in the whole U.S.A. there is one type of secondary school, in the Netherlands there are many kinds of high schools teaching different subjects. What I like so much at Hilton Central School are the many social and sports activities.

I'll always remember the excitement at the basketball games, the fun at the dances, the Schultzs', and my many friends who made this year unforgettable for me.

Annika's family and their pet poodle.

Sweden Lends Us Annika Ekedahl

I could hardly believe that I had been elected to represent my country, Sweden, in America for one year. That was something that happened to others I thought. Now I'm here, however, and it is wonderful just as I thought it would be.

It is so great to have this opportunity to live in an American community with a family and attend high school as other American kids. This is the right way to get acquainted with a foreign country, instead of being just a tourist.

I have noticed some differences between our countries. In school we study more subjects in one year and we don't have the same choice as here, and the schedule is organized for the whole week including Saturdays in most schools. Unfortunately we don't have school activities which I think is such a great idea. Vacations are about the same but we never have homework over vacations and weekends.

I live in a big city which of course is different. We are not so dependent on our cars but can always go by bus or train and even walk. I walk to school every day which takes me fifteen minutes.

Kids are similar but not quite like American kids. We don't have the same dating system. Usually we get together at parties we arrange on Saturday nights. Boys and girls don't bring a certain date to the party but meet there.

This year in America will be unforgettable for me. I will always remember Hilton Central, my American friends and the generous family who has been wonderful to me.

Mealttime in Paul's Norwegian home.

Gorgeous fiords grace Norway's landscape.

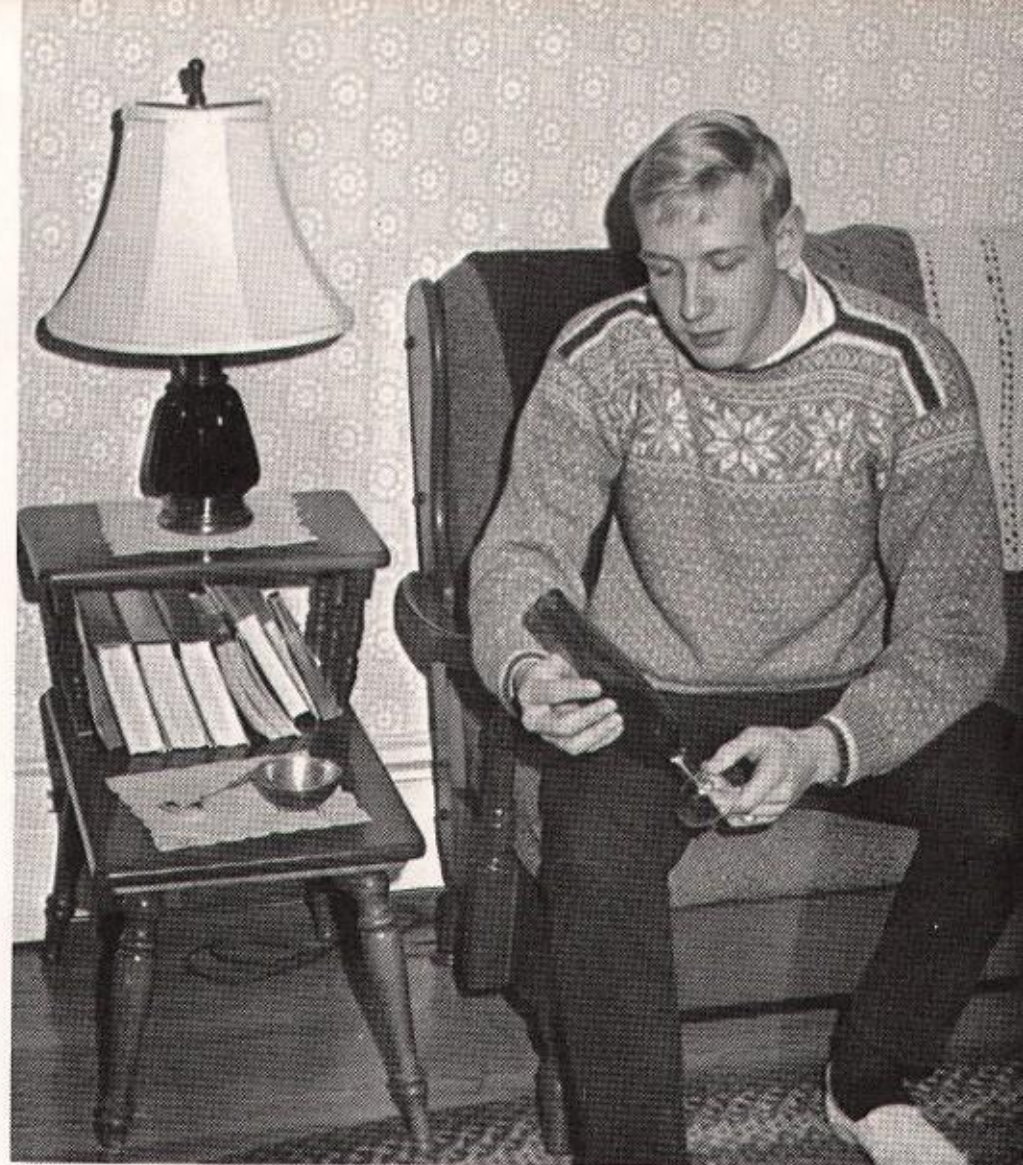

Who will ever have an opportunity to have two families, two homes, or another country to call his own? I wish everyone could.

I feel honored and very lucky to have been able to spend last summer with a family in Norway. I lived in the small town of Bruflat, which is located in the central mountains of Norway. My family consisted of four; my mother, father, and two brothers. During the many trips we took around the country, I realized the vastness of our world and the need of its people to understand each other. Everyone I met showed the greatest hospitality and willingness to learn and exhibit that friendship which constitutes the first step on a hard road toward peace. I only hope I was able to leave a lasting image of America and what her people are like.

I soon learned that although customs and beliefs may differ between people, that we are basically the same, and we all must realize this so there can be agreement between nations.

It was very hard to leave my "new found life" at the end of those two short months, knowing that I'd probably never see, or live in it again.

Then I realized that the second half of my trip was to relate my experiences to people in America, so they too could begin to learn the meaning of international understanding.

Germany Adopts Gail Oakden

A voice on the phone said, "I am happy to inform you that you have been accepted for the summer Youth For Understanding program." So the dream began. A few months later I was on a plane-bound for Demenhorst, Germany and the Gunther family.

The two months that followed were excitingly filled with traveling, learning, and simply living in a wonderful new world. Each day held a fresh surprise, exciting adventure or enlightening insight into the very heart of Germany. Mine was the great privilege of being the summer adopter of a family, a community, and a country.

During the summer my greatest hope was that I could be a good representative of my country and an effective diplomat for peace in my small way. Now I wish that others might somehow share in the knowledge I have acquired, the understanding I have gained, and the many memories of a lifetime that are mine. In this way, it is my hope that all will know how sincerely I say "Danke-Schon!"

Ron on Sneek Lake in his family's boat.

For ten weeks this summer I lived in a foreign country far from American shores. Yet, I really did not notice a great difference between life in Holland and life in America. I found the people much the same as Americans; some friendly, some not, but all were people.

My life in Holland this summer has taught me a great many things. I learned that most European countries are not as "foreign" as we make them out to be—the difference in way of life is very small. I learned the ways of a new people—a wonderful people who take life as it comes. But, most of all, I learned that despite popular belief America is not the only country in the world.

I know that I shall never forget my experiences this summer. My many Dutch friends and my many good times with my brother, Jan, are embedded forever in my memory.

My trip this summer has made me want to learn more of Europe, and especially of Holland. I hope someday to return to my foreign "home". Until then, I can only hope and remember.

During the past summer I was privileged to go to Thailand under the American Field Service program. It seems odd to think that nearly eight months ago I was living and experiencing the life and culture of the people of Thailand. It took only 30 hours of actual flying time to reach Thailand, so the 12,000 miles that separate Thailand and the U.S. are still quite unimaginable.

The happiest part of my experience was spent with my Thai family who adopted me as a member for nearly three months. They took me into their intimate circle to such an extent that I now belong to two families. In our Thai household there were 14 members. We all had our jobs to do—I remember washing my clothes by hand. I also remember that they never turned out very clean. But I did my jobs.

The greatest reward from my experience is a greater knowledge of people. Disregarding cultures and nationalities, there are common qualities, such as love, care of children, and respect for others, which exist in all peoples of the world.

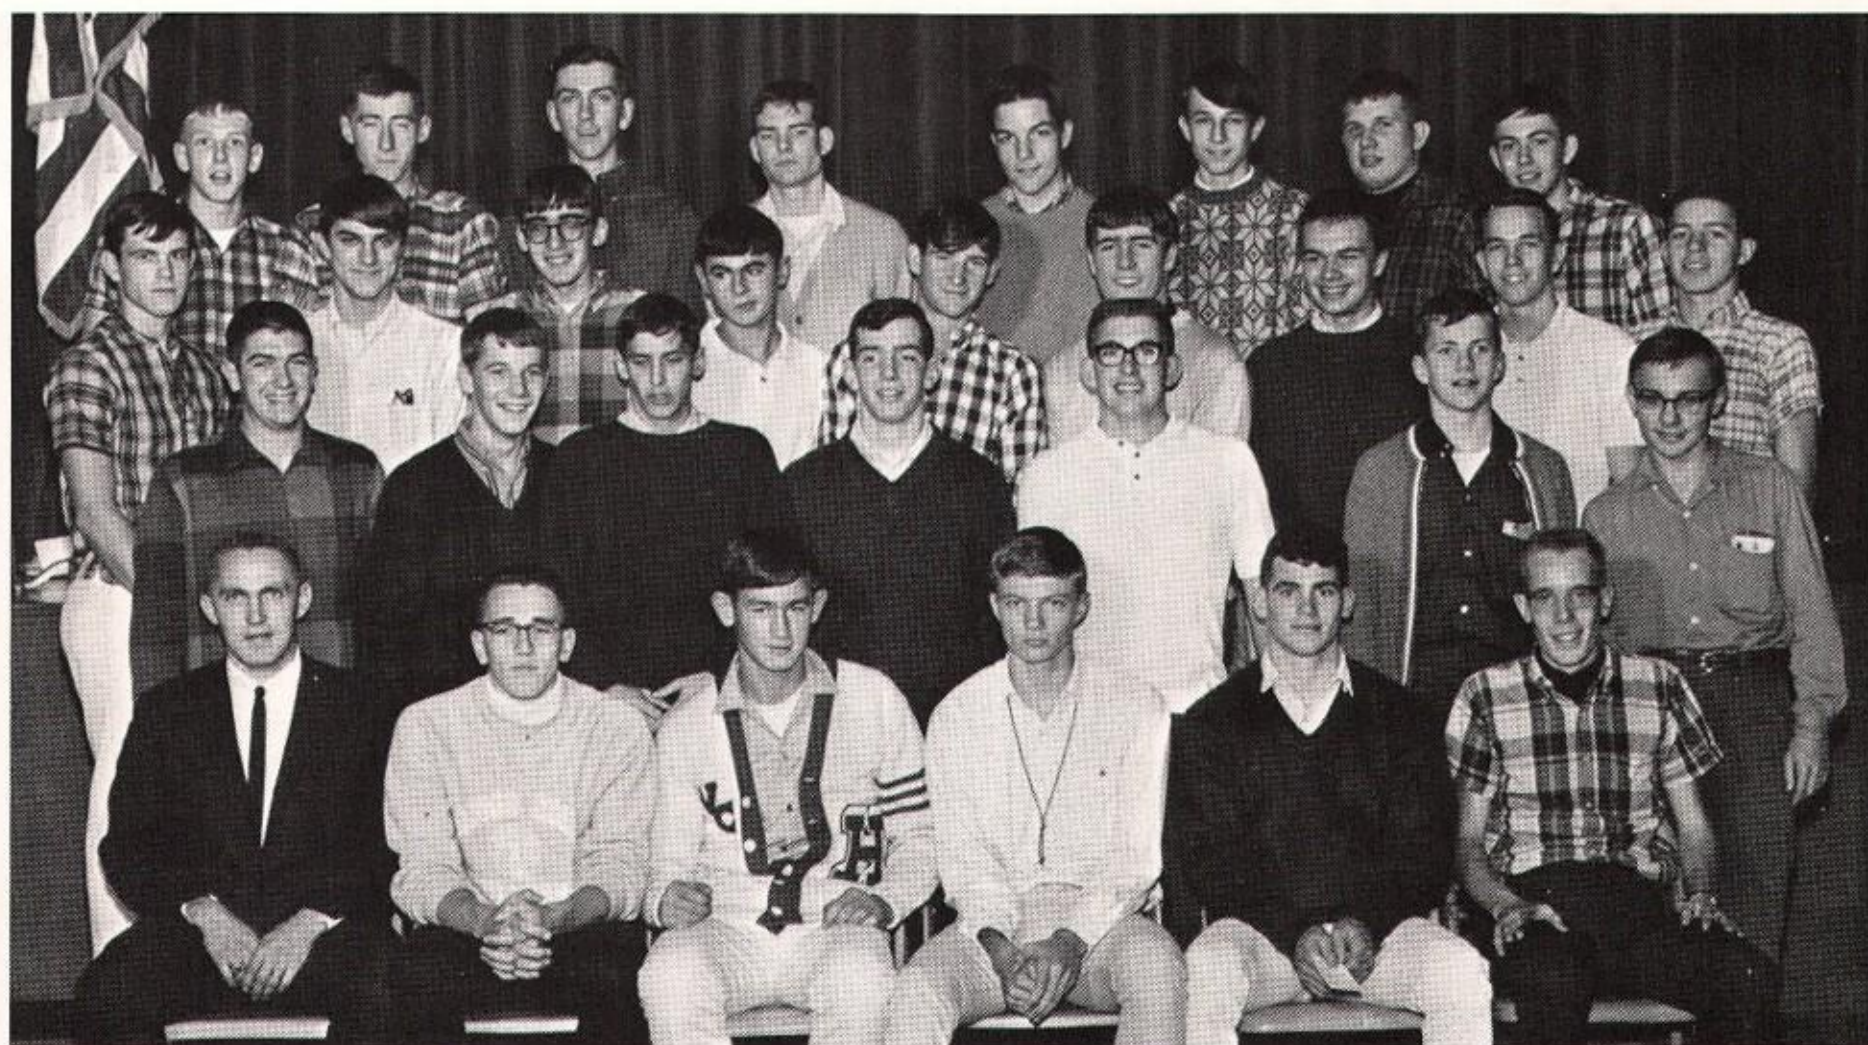

SPORTS

Sports form a very important part of our school activity program and these pages have been compiled to present the participants to you.

The sports program has been greatly expanded this year as shown by the number of participants in the various fields.

Much time and effort have gone into the preparation for each individual sport as the results have shown.

We have lost, we have won, but our spirit has remained sustaining and strong.

Cross Country Ends Season At Sectionals

The Hilton "Appleseeds", coached by Mr. Robinson, faced a difficult season this year as they ran in the Class A league for the first time. However, it compiled a very impressive league record of 7-1 and an overall record of 10-1, including a revenge win over Mc Quaid. The top runners for the team were Bob Blodgett, Ed Schubert, Dave Manchester, Scott Dwyer, Tom Lucas, Jim Johnson, and Ron Morris.

The Junior Varsity also compiled an admirable record and were led by Dave Ludwig, Doug Lloyd and Joe Bonacci. Because of an increase of interest in Cross Country, this year for the first time, there was a Freshman Team which achieved a fine 3-0 record, including the County Tournament. It was led by Jeff Davis, Keith Damann and Barry Swan. With a talented group of runners returning next year, the team looks forward to another successful season.

Selected for All County

The Varsity Soccer team was plagued by many injuries this season. However with the good coaching of Mr. Klich the team finished with a 5-5-2 record. The Times Union All County selection for outstanding players went to Mike Rood, Trevor Palmer, Bill McCann, and Ralph Roach. Seniors: Dick Van Hook, Dave Congers, Jim Lum, and Ron Stevens; and juniors: Dave Johns, Al Trimmer, Ralph Staples, Marty Palmer, and Ken Colamer rounded-out a good team. With many talented juniors and sophomores on the team this year Hilton Central can look forward to a prosperous season in 1966.

With Mr. Buck as head mentor, the Junior Varsity Soccer team finished with a fine 7-3-2 record. Injuries to several key players hampered the J.V.'s chances for an undefeated season. Captains Bill Bates and Steve Cole were outstanding both as fine soccer players, and as leaders of the team. Other outstanding players were Don Everetts, Bob McCall, Steve Barleben, Don McWilliam, Roger Roach, Tom Waz, Lee Radford, Dave McMurdy, Howard Tripp, and Steve Gardner.

Last year Golf was added to the sports program at Hilton Central. Under the able direction of Mr. Wright and Mr. Orr, the team played all non-league games and finished with a 2-5 record. Terry Worden, Dan Haelele, Bill McCann, Chuck Tobin, Doug Lloyd, Brian Harris, Mat Haelele, Mike Lauth and John Zagatta will all be back next year trying to better the record, but this year in league action.

For the second year, Hilton will be represented in the Winter Carnival. The main sport at the carnival is Volleyball and Hilton's team consists of Trevor Palmer, Bill McCann, Nick Visser, Jim Fraser, Steve LaDue and Ron Stevens. Under the coaching of Mr. Krotz, the team hopes for a successful playday.

Mark and Doug try out a new hold.

The Hilton wrestling team, coached by Mr. Krotz and Mr. Wolfe, looks forward to its most successful season with a tough line of centers returning from last year. Among them are: Dave Yockel (154); last year's most improved wrestlers, Doug Lloyd (133), Mark Strussenburg (165), Fred Burch (180), Neil Johnson (unlimited), John Petrilli (127), Steve Gardner (120), and Bruce Bevins (145). The team seeking to improve its 6-8-1 record from last year, started the season right by beating Cardinal Mooney, 24-19, and whipping Penfield, 38-13. With plenty of talent and experience, it appears Hilton can look forward to a good performance this year.

Junior Varsity, Freshman Basketball Teams

The Varsity Basketball squad started the season with a record breaking victory over Jefferson. The team is hoping for a good record this year with four lettermen and our coach, Mr. Vanderbush. Seniors Ralph Roach, Dick VanHook, Gary Smith and Mike Durrant, equipped with plenty of experience, are looking forward to a good year. Juniors Dave Johns, Kevin Damann and Ralph Staples will give the Cadets added strength throughout the year. The bench strength is headed by Juniors Rick Haight, Al Trimmer, Tom Metherell and Les Ryan, who will also assist the Cadets towards a successful season.

Under the coaching of Mr. Dzwigal, the J.V. team will try to add to the 18-0 record of last year's team. The team is again strongly led by Sophomore George Harris who is the only member back from last year. Brad Lasch, Paul Blodgett, Lynn Bronson, Lee Radford, Mike Duell, Steve Durrant and Buddy Bartholomew are all possible starters. Mike Igo, Tom Croft, Bill Bates and Roger Roach round out the team.

Prepare For Coming Season

Freshman practice good teamwork during a scrimmage.

The call for Freshman basketball tryouts was answered by the disappointing number of 18 candidates. This was the smallest group in the last seventeen years. Despite this shortage of players, though, at least three of these boys will achieve stardom in their senior year. Paul Madigan, Eric Rodgers and Tom Gates lend hope to the future with strong support from Gary Tripp, Tom Ophardt, Tom Griffen, Tom Waz, Don MacWilliams, Greg Dale, John Madigan, Doug Hazen and Dave Henning. With these fine and enthusiastic players, the freshman team and their coach, Mr. Tolhurst, look forward to a good season of basketball in 1966.

Complete '65 Baseball Season

Roger and Les joke about the afternoon's practice.

Hilton Central's baseball team turned in a creditable 10 wins and 12 losses for 1965. Their record at one stage of the season was 3-10, but the "scarlet pin stripes" came to life in the last half beating every team but Irondequoit and the Sectional champions, Waterloo. Senior Pat Barry swung a swift bat in this streak. He, along with Larry Lawrence, Mike Beaty, Bob Henning, Mike Bernardo, Bob Hitzke, Ed Waz, Steve Morris and catcher Jim Rogers will be missed in the 1966 season. Dick Williams did a fine job on the mound and will be back this year. Mike Durrant, Dick VanHook, Fred Sanger, Ron Stevens and John Curran will also be back to try to better their past records.

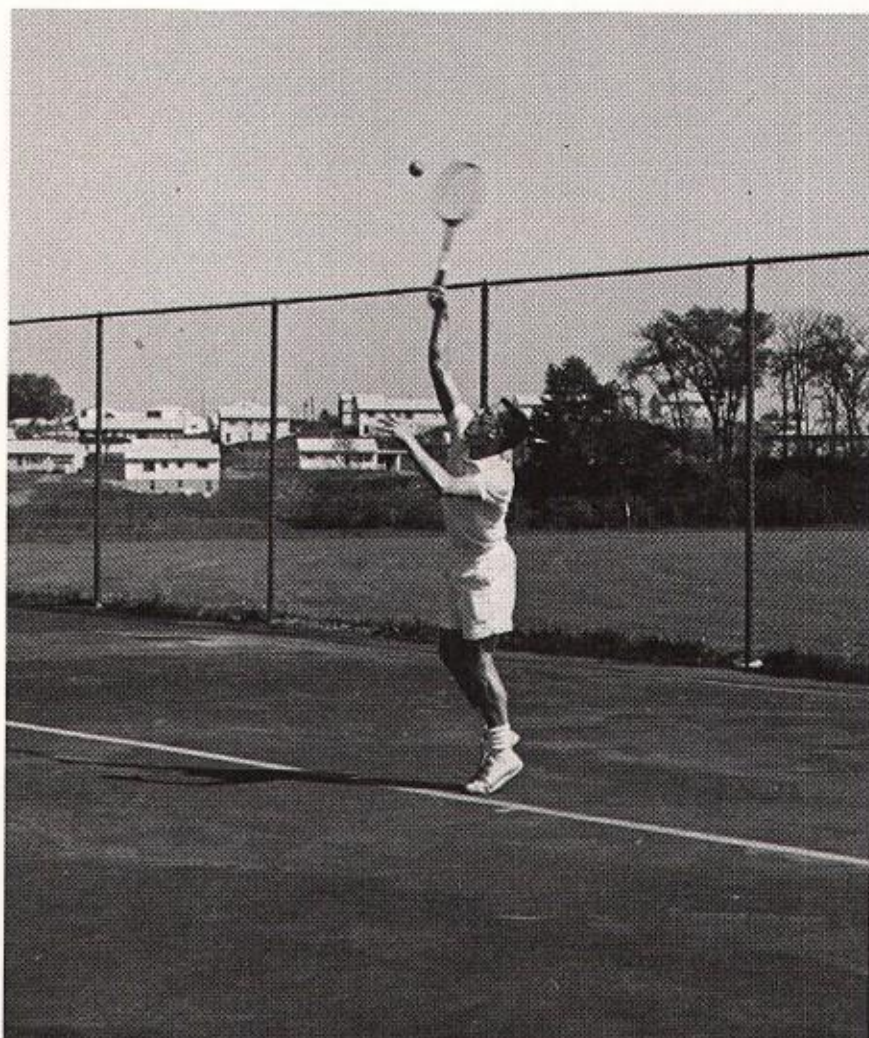

The Hilton J.V. team finished the season with a record of 12 wins and 4 losses in league play. The team proved to be an excellent defensive nine led by Dave Johns at shortstop and speedy Al Trimmer in the outfield. Les Ryan and Kevin Damann were the mainstays of the pitching staff with Rick Haight behind the plate. Each member of the team provided much, and it was a highly successful season.

See Ralph swing!! Swing, Ralph, Swing. Swing. Swing. Swing!!

Last year's tennis team had a very successful season with a record of 9 wins, 1 loss, and 1 tie. The team came in second in their division and lost to Fairport in the interdivisional games. Joe Bourey went undefeated until the Fairport meet, ending up with a 10 and 1 record. The double's team of Nick Breslawski and Phil Slater also had a 10 and 1 record. Ralph Roach compiled a 6 and 5 record, and Tom Duell an 8 and 3 record. Other letter winners were Jim Strauss and Burt Hammond.

Coach Krotz is looking forward to another big season, with four of last year's starting five returning.

Mr. Caton helps students with the voting booth on Class Day.

Soon we will walk for the last time as students through the halls of Hilton, which has been our home away from home for the past 4 years. Those four years have been hard, but rewarding ones, for they have prepared us to go on, each in our own way. As we go forth into new and different worlds, we realize that the Class of 1966, our class, will never really cease to exist. The memories of our friends and the experiences we shared will remain in our hearts always. I am with this belief that we, the Class of 1966, depart, never again to recapture the spirit and pride which was once ours.
